2025	Piper's Creek Blanc de Noir	Pinot Noir	<i>Macedon Ranges</i>	In 2019, Emily Kinsman traded a city legal career for a life on the land, and now farms two sites: a 5-acre vineyard in Macedon of closely planted Pinot Noir and Gewürztraminer and a little Shiraz block in Heathcote. What started as a dream of living closer to the land has grown into something she's deeply proud of — a small, handcrafted collection of wines made with purpose, patience, and a lot of heart.

At an altitude of 600m, the cool climate is perfect for Chardonnay and Pinot Noir. We hand pick the grapes grown on rare Cambrian soil, some of the oldest in Australia. The vineyard is next to a sacred quarry, once mined for its greenstone, which was used to make stone axes by the Wurundjeri people. Wilimee Moor-ing means 'Place of Stone Axe'.
